Small Change Grants

Small grants to help make a big difference

THE DETAILS

Not every group needs a large grant to bring their ideas to life, so we're making it possible to get a small amount of funding for your next event or project.

Open to not-for-profit groups and clubs, based in or servicing Lancefield and Romsey, with a valid ABN, our Small Change Grants are available year-round (or until the allocation is exhausted). If you don't have an ABN, consider partnering with a local group that does.

We encourage you to spend the funds locally, to further support our local community.

IN RETURN

We're a Community Bank, which means our profits are returned to the local community via grants just like these. We can't do this without support from our community. It's a win-win when you bank with us.

Spread the word about the funding you received, share our posts on Facebook & Instagram @CommunityBankLancefieldRomsey and encourage your members to visit our branches.
